### **A New Home For Your Footy Boots & Sneakers**

Leisure Networks are seeking old football boots and sneakers (clean and useable) that can be utilised and treasured by disadvantaged youth.

#### **A staff collection from your workplace can be dropped off at:**

Leisure Networks

Sports House

370 Moorabool Street

Geelong

From there, they will be sorted and re-distributed to sporting clubs in need.

#### **Who are Leisure Networks?**

Leisure Networks works to promote and strengthen community sport, recreation and health opportunities for people of all abilities across the Barwon Region of Victoria. This is done through programs such as 'Sportsaccess' that helps less advantaged primary aged children to participate in sports through support and grants for equipment, clothing and membership fees.
