Australian Red Cross Blood Service - Corporate Groups and Individuals Needed

THE NEED FOR BLOOD WILL NOT TAKE A BREAK THIS CHRISTMAS

Be the type to save lives this festive season so patients can continue the life saving treatments they need. The reality is, a cancer patient will still need chemotherapy this Christmas and these patients require blood transfusions to support this treatment. Your blood donation will make a big difference this Christmas.

The Geelong Donor Centre will remain open all throughout the Christmas and New Years period, including Monday 26th December and Monday 2nd January.

Geelong Donor Centre times:

Monday 9.30am – 7.30pm

Tuesday 1.30pm – 7.30pm

Wednesday 9.30am – 7.30pm

Thursday 9.30am – 7.30pm

Friday 8.00am – 2.30pm

Saturday* 9.00am – 12.00pm

(*every 1st & 3rd Saturday of the month)

Roll up your sleeves and give blood. Call 13 14 95 or visit donateblood.com.au
